

Statement of Work

Enchanting Pools KC

7660 ½ North Oak Trafficway Suite, B
Gladstone, MO 64118

Agreement to Perform Winterization:

Respond to email from info@northlandpools.com or text from EPKC Employee stating “I accept” or “I agree” to these service terms and conditions. In email or text please include your first & last name and preferred phone number for communications about services rendered.

Winterization Services Include

1. One visit to Winterize your pool for the season.
2. Remove ladders and rails.
3. Check and balance chemicals. Adjust as needed. Add winterization chemicals.
4. Drain all pumping, filtration, heating, and chlorinating equipment.
5. Blow suction and return lines.
6. Add antifreeze to skimmer and return lines if applicable.
7. Plug skimmer and return lines
8. Put pool cover back on, if applicable.
9. Inspect cover and equipment and report any issues with homeowner.
10. Disable timer switches if applicable.
11. Turn off all power to pool motor and heater.

Client Responsibilities

1. Drain pool to bottom of skimmer opening or below skimmer (turn off pump if below skimmer).
 - a. When water gets below skimmer, then turn skimmer valves off and put filter into waste mode, or use a manual 1 ½ inch pump.
2. Call 816-436-7946 or email info@northlandpools.com with any questions.
 - a. Client must communicate wants/needs with office to ensure proper service & water quality.
